Re: **Tony Burnett**  
**141-16-03995**  
**BKDC**

Dear Acting Deputy Commissioner Kuczinski:

I am writing to request an investigation into an incident involving Tony Burnett. Mr. Burnett alleges that he was assaulted by several correctional officers on April 27 in the Anna M. Kross Center (AMKC), while being escorted from intake to the mental observation, right side, housing area. As a result of this assault, Mr. Burnett suffered a bruised collarbone and ribs, swelling on his forehead, and lacerations on his wrists. Despite requesting medical attention shortly after the assault, Mr. Burnett was not examined by medical staff until the following morning.

Mr. Burnett was arrested on April 22, and is charged with a violation of Penal Law § 160.15, robbery in the first degree. The complainant in the case, Melvina Blake, is currently employed as a correctional officer by the Department of Correction. Upon arriving at Rikers Island, Mr. Burnett was negligently housed in AMKC, the same facility that Officer Blake works in.

On the morning of April 27, Mr. Burnett was being escorted back to his housing area when several correctional officers, including Officer Blake, stopped him in the hall. One of the officers asked Mr. Burnett if he knew Melvina Blake. When Mr. Burnett told the officer he did not, the officer tightened his handcuffs, and repeated the question. Mr. Burnett again explained he did not know who Melvina Blake was and, again, the officer tightened the handcuffs. The officer then asked Mr. Burnett if he knew why he was locked up. This question prompted Mr. Burnett's memory, who then recognized Officer Blake. Before Mr. Burnett had an opportunity to speak to Officer Blake, several of the officers surrounding him began to punch him, and shoved him against a wall. One of the officers painfully pushed Mr. Burnett's handcuffed hands high up against his back, while another officer struck Mr. Burnett in the ribs with an unknown object.

The assault lasted for several minutes, until the officers finally brought Mr. Burnett back to intake, where they encountered an Officer Barnes (#6191). Officer Barnes told the other officers that if they wanted to fight Mr. Burnett they ought to do it one-on-one. The officers were not interested in this proposition, and vacated the intake area. The handcuffs on Mr. Burnett's wrists had been tightened so much that they cut his wrists during the assault, and left them bleeding. Mr. Burnett asked a correctional officer to take him to the clinic for treatment, but was told he could no longer remain in AMKC, and that transferring him to another facility was the priority. Mr. Burnett waited in intake at AMKC for three to four hours, before finally being transferred to the George R. Vierno Center (GRVC). He was rehoused in the 17A housing area in GRVC with his wrists still bleeding, having not been provided medical attention.

The following morning, correctional officers took Mr. Burnett to the clinic in GRVC. He gave a statement about the incident to an Officer Fernandez, who wrote it up. Medical staff provided Mr. Burnett with Tylenol and checked his vital signs, before sending him back to his housing area with correctional officers.

Additionally, Mr. Burnett alleges that during the assault various property vouchers and medical documents fell out of his pockets. He has since been unable to recover these documents.

I would appreciate your confirming that the Department will take steps to properly investigate Mr. Burnett's allegations. Please keep me informed of the results of the investigation. Thank you for your attention in this matter.

Dear Mr. Burnett,

I hope this letter finds you well. I am sorry to not have been able to write to you sooner. Thank you for meeting with me Friday, April 29, to discuss the incident you were involved in at AMKC on April 27. I was sorry to learn that you had been assaulted. I hope you have fully recovered and have not had contact with Officer Blake or any of the other officers involved since.

First, I want to apologize because I have not been able to have your Notice of Claim notarized. To have a document notarized the person who filled it out (in this case you) has to be present. I did not realize this, and mistakenly told you I would be able to do this for you. I have included here your original Notice of Claim and an extra copy for your records. To submit it, you will need to go to the law library and have to original document notarized. Then, make some copies of the notarized document, and mail out the original and one extra copy. I have included an addressed envelope, with a certified mail sticker for your convenience. You have 90 days from the date of the incident (April 27) to file the Notice of Claim form. This means you have approximately 2 months left to do so. However, you should do so as soon as you are able to. I have also included another copy of the sheet I gave you at our meeting, which has more details for filing a Notice of Claim.

I am enclosing a copy of a letter I wrote to the Department of Correction on your behalf requesting a formal investigation. The DOC has confirmed they received my letter. I have also requested your medical records. I am hoping to get documentation of all the treatment you have received on Rikers Island. These records may be helpful to you as you pursue your claim. Unfortunately, requesting medical records can be a slow process, and generally takes a few weeks. If you would like a copy of these records, please contact our office to ask if we have received them. We would be happy to send you a copy as well.

As you submit your notice of claim and wait for your claim number you can attempt to find a lawyer to take your case. You can write or call the New York City Bar Association's Legal Referral Service for help finding a lawyer. They are located at 36 West 44<sup>th</sup> Street,

New York, New York 10036. Their phone number is (212) 626-7373. If you are unable to find a lawyer after contacting the referral service, please let me know and I may be able to provide you with additional resources for obtaining legal representation. You can also pursue your case alone, without an attorney (pro se). Check CPLR 304-306 and 311 for the rules about starting this kind of lawsuit. You should have access to these and other materials in the law library.

I hope this information is useful. I am sorry we cannot be of more help to you in this matter. Please do not hesitate to contact me if you have any questions. You can reach me at the address and phone number listed below.

Sincerely,
